LEGENDA	
TIPOLOGIE DI SUPERFICIE	
STATO DI PROGETTO	
	Resine acriliche
	Conglomerato bituminoso tradizionale
	Conglomerato bituminoso trasparente drenante
	Conglomerato bituminoso trasparente
	Trattamento superficiale tipo arato
	Lavori di finitura (segnalatica, colori ecc.)
	Lavori complementari
	Ex conglomerato bituminoso trasparente
	Ex cattedrizzati drenante
STATO DI FATTO	
	Sede esistente pavimentata
	Sede esistente non pavimentata
	Area di nuova realizzazione
	Opere d'arte
	Attraversamenti
	SfS = ex. Area di nuova realizzazione
	SfS = ex. Conglomerato bituminoso trasparente drenante

Scala 1:50

The map shows a coastal region with a red dashed line outlining a specific area. This area is divided into four sections labeled 'Quadro VII', 'Quadro VIII', 'Quadro IX', and 'Quadro X'. The coastline is on the left, and the land area is on the right. The map includes contour lines, a scale bar, and a north arrow.
